

APPLICATION PROCESS

It is best to apply between November-January preceding the school-year in which you wish to attend Fountainview Academy. You may apply earlier, or if you applied for a previous year and would like that application to be considered in the up-coming school year, then you need to contact our office to “refresh” your application after November 1st.

Some names considered in February, March, April, and May Admissions Meetings may receive an early acceptance. The remaining applications will all be considered in our meeting on the last Monday of June (the day after graduation). You will be contacted by e-mail within 24-hours of a decision.

Every year some applicants are accepted during the months of July and August. So, while applying early is ideal, it is never too late to apply. Openings often come due to accepted students’ change of plans.
